**RULES**

1. For safety reasons RPM's will be limited to 0% over factory rated no load RPM. All throttles will be checked by officials.
2. Drawbars will be no higher than 18 inches & no closer than 18 inches from the center of the rear axle.
3. Weights cannot be more than 24 inches from the front most part of the tractor frame. Weights must not interfere with hookup.
4. Each tractor must furnish it's own clevis or pulling eye with a minimum hole diameter of 3 inches.
5. Tractors must have a factory stock block with an agricultural-type carburator and manifold.
6. Driver must remain seated with one hand on the steering wheel at all times. Tractors must be operated in a safe manner at all times.
7. Unless there is a tie, only one pull per contestant in each class.
8. No "shift on the go" in the antique class, "shift on the go" allowed in farm class only.
9. Judges' decision is final regarding all pull rules.
10. All antiques must have working P.T.O.

FOOD & REFRESHMENTS ON GROUNDS
