ALL PLACES MUST RE-WEIGH TRACTOR AFTER PULL

RULES:

1. Antique Tractors must be 1955 or older stock farm tractor regular model; Farm classes can be any year. **ALL TRACTORS MUST BE EQUIPED WITH FENDERS!**
2. Drawbar height cannot exceed 20 inches.
3. Front weights must not exceed ahead of front wheels more than 24 inches or 18 inches behind the rear wheels. Weights must not interfere with hook-up. Extra weights must be securely fastened to the tractor. If anything falls off tractor before it is unhooked, it will be disqualified.
4. Throttle or governor must control engine speed. RPM'S are not to exceed 20% of the original speed.
5. Puller must furnish their own clevis or pulling eye. Judge's decision is final regarding pull or equipment.
6. Tractors must have original engine and a governor in working order.
7. Driver must remain seated during entire pull and operate tractor in a safe manner.
8. Judges have the right to stop a tractor at any time and the organizers reserve the right to reject or disqualify any entry.
9. Operators may change gears within the first 50 feet.
10. All contestants enter at own risk. Anyone under 18 years of age must have consent form signed by parent or guardian.
11. Vehicles may be inspected for any violations and the judge's decision is final on areas not covered by these rules. All tractors must re-weigh before pulling.
12. The eliminator will set the pace for all classes.
13. Antique: 4 MPH; Open: 8 MPH; Farm: 10 MPH
14. Pull will be run, rain or shine!
15. No consumption of alcohol prior to pulling.
16. For more information, contact Howard Zellmer at 608-697-3554.
